European Conference on Shipping, Intermodalism and Ports

ECONSHIP 2011

The PortEconomics SummerCourse will take place at the eve of the **European Conference on Shipping, Intermodalism and Ports – ECONSHIP 2011**, which will take place at the island of Chios, from June 22nd to 24th, 2011 and stimulate discussions about the lessons that shipping, maritime and intermodal transport systems can be drawn from the past and the emerging prospects for the future.

The ECONSHIP 2011 topic is: **“Maritime Transport: Opportunities & Threats in the Post-crises world”** and the program will contain more than 180 scholarly presentations by the international maritime academia, four industry sessions and a special session of the European Parliament Office.
