Development Cruise calls & passengers in Coopenhagen

— Passenger
— Luggage

Important notes:
All personnel are airline-trained and authorized to handle documents and luggage
Only passengers who fly-out the same day of disembarkation can utilize the product

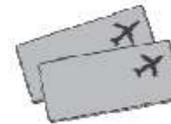

For a low service charge, passengers can check in for their flight onboard the cruise vessel and have their luggage delivered from the stateroom to the final destination airport

Offered complimentary or for a low service charge, passengers can check in for their flight onboard the cruise and have their luggage delivered from the stateroom directly to their flight.

- 1 Sign up online or onboard your cruise.

- 2 Receive boarding passes and luggage tags in your stateroom.

- 3 Place checked luggage outside stateroom the last night of your cruise.

- 4 Disembark the ship and bypass claiming your baggage in cruise terminal.

- 5 Eliminate checking in at their airport as you are already checked in for your flight.

- 6 Retrieve luggage at your final destination airport.

Boarding pass and tag is delivered to the passengers cabins, along with the questioner with security questions.

Transportation Security Administration

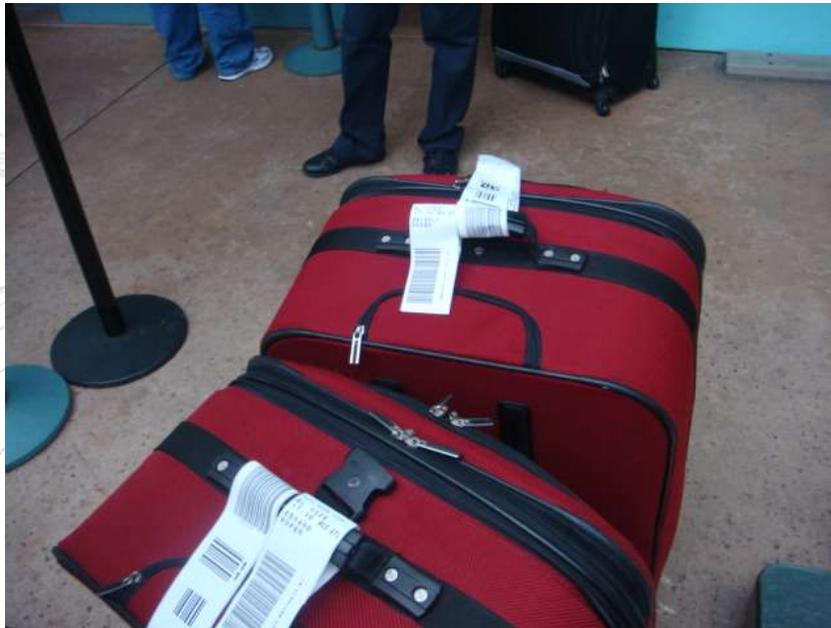

Baggage Locked?
Please use a TSA-recognized lock or leave your baggage unlocked to avoid having your lock broken if a physical inspection is required.
A list of TSA-recognized locks can be found at www.tsa.gov.
Baggage may be searched at any time.

Firearms Declaration
Firearms must be unloaded, locked in a hard-sided container and declared to your airline for transport in checked baggage only. The passenger checking the bag must retain the key or combination. Unauthorized explosive or incendiary devices are prohibited in checked baggage. Failure to comply can result in civil and criminal penalties.
Contact your airline for more information.

Film Warning
Please REMOVE ALL UNDEVELOPED FILM and cameras with undeveloped film from your baggage as the security equipment may damage it.

TSA Contact Center 1-866-289-9673 www.tsa.gov

- The passengers tag the baggage, and put them outside the cabin door, where it is collected by the ship personal.

- The bags are then stored under deck, until next day when the ship comes into port and the passengers disembark.

Benefits for Passengers

- Receive boarding pass and luggage tags in stateroom night before disembarkation.
- On disembarkation day, bypass claiming luggage in the cruise terminal.
- Eliminate airport check-in lines as passengers are already checked in for their flight.
- Enjoy the last day of the cruise with a home port shore excursion or one more day of sightseeing and shopping in the city luggage free.

Benefits for Cruise Lines

- Turn the ship faster.
- Shorten cruise terminal lines.
- Less transport space for baggage.
- Encourage passengers to take advantage of home port shore excursions after cruising.
- Offer guests a unique service experience and end their vacation the right way.

Thank you for your attention !
