A dark gray background with a large, stylized, light gray graphic of a hand holding a pen, positioned on the left side. The text 'BRUSSELS AIRPORT' is centered in the middle of the image.

BRUSSELS AIRPORT

An aerial photograph of Brussels Airport, showing the runway, taxiway, and terminal building. The airport is surrounded by green fields and a city skyline in the background. A red text box is overlaid on the left side of the image.

An airport in the
heart of europe

The image features a solid red background with several large, overlapping, abstract white shapes that resemble stylized, flowing lines or brushstrokes. These shapes are positioned primarily on the left and center of the frame, creating a sense of movement and depth. The text 'MORE THAN AN AIRPORT' is centered horizontally and vertically within the white space.
