

Ministero degli Affari Esteri  
e della Cooperazione Internazionale

FEDERPESCA

**November 26<sup>th</sup> 2020 – 9:00-11:00 AM (CET)**

**ZOOM Platform**

**TITLE: Skills and careers development in the Blue Economy, Blue Careers in Aquaculture in the IORA Countries**

**Hosted by: Italy-IORA Committee, Italian Ministry of Foreign Affairs and Development Cooperation, and FEDERPESCA**

### **New frontiers for sustainable and competitive aquaculture**

How to support the circulation of skills and competences among IORA countries, and to build a network of experts and professionals that covers training, research & innovation, school, business, and local knowledge and culture.

“Blue actions in the blue careers” between companies, vocational schools and universities for sustainable aquaculture and to lay the foundations for a possible “IORA Blue Careers Campus”;

The aim of the webinar is to reflect on how to develop skills and competences to improve critical understanding of aquaculture development and principles, on issues such as the improvement of plant equipment, the use of intelligent technologies for traceability and quality certification of fish products in order to ensure economic sustainability and food safety.

### **Sessions' chairpersons**

Mario Vattani, Gatot Hari Gunawan, Luigi Giannini, Michela Cariglia, Roberto Cimino

### **Welcome messages**

**Mario Vattani**, Minister Plenipotentiary, UE and Asia Pacific Coordinator, Directorate General for Global Affairs, Italian Ministry of Foreign Affairs and International Cooperation

**Andre Siregar**, Director for Asia-Pacific and African Intra and Inter-Regional Cooperation, Indonesia Ministry of Foreign Affairs

**Gatot Hari Gunawan**, Director at IORA Secretariat

### **Introduction**
