SHADE MED 2021

“Rome, 7th - 8th October 2021”

Following the success of the previous editions of the Shared Awareness and De-confliction in the Mediterranean Sea (SHADE MED) conference, EUNAVFOR MED IRINI Operation Commander is pleased to invite You for the 10th SHADE MED conference, the 2nd edition organized by Op. EUNAVFOR MED IRINI, which will take place on the 7th and 8th of October 2021, in presence and VTC mode. This edition is co-hosted with NATO Allied Maritime Command.

SHADE MED is a forum where representatives from different nations and organizations interested in the Mediterranean area can meet to reach common aims. Far more than a simple international meeting, SHADE MED Conference represents a unique opportunity to meet, to exchange good practices and to share information and experiences among many and different actors involved in the Mediterranean area. A formal invitation and agenda will follow soon.

The theme chosen this year is:

“Sharing security, culture and values for a shared prosperity in the Med”

For those that wish to attend in presence be aware that due to COVID-19 restrictions and social distancing, only a small number of seats will be available in attendance. For this reason, each delegation shall be limited to one person.
